## You and your team

WHO SIGNS OFF: the senior officer who approves each month

Required

**Alex Reed**  
CEO

### Others on the registration

Jordan Blake · VP Policy · Lobbyist

It sets the one person who signs off, so nothing is filed without approval.

## Topics & officials

Already filled in from your industry. Adjust if you like.

✓ Environment

✓ Climate change

✓ Energy

✓ Industry

✓ Science & tech

Taxes

Health

5 topics · 5 government bodies set as your defaults. We add anything else we spot in a meeting.

The highlighted choices were made for them, so a non-expert can still get it right.

## You're all set.

FILLED IN FOR YOU

**88%**

of every report field, pre-filled

When you finish, your profile is saved, your team's calendars are invited, and we start watching right away. Around the middle of next month you get one task: review and approve.

Closes with the payoff number, and says exactly what happens next.

# Calendars

Connect each person's calendar.

**alex@northwindclimate.com**

Connected · synced 2 minutes ago

Active

Scanned 1,469 events · matched attendees against government officials

Works with Google and Microsoft 365. We scan and sort meetings in the background, with no work for the user.

## 3 meetings ready to report
